PORT OF TAURANGA

2021 / 2022 Christmas Season

Mount Maunganui Conventional Wharves

The following arrangements are in place for the upcoming Christmas period.

Marine Services

The port will remain open 24 hours per day during this period and will provide piloting, tugs and linesmen for vessel movements as required. We would appreciate some flexibility in planning for the arrival of vessels if cargo is not to be worked on arrival alongside.

Should you have any queries regarding vessel arrivals or departures please contact our Customer Service Centre ph 07 572 8888.

Mount Maunganui Conventional Wharves

This is largely governed by the Stevedores and Marshallers. Port of Tauranga does encourage service providers to schedule working vessels to allow their staff to spend Christmas Day with their families. For further information, please contact your service provider directly.

Cargo Storage

Import and Export Cargo

The usual free day storage period will apply. In addition we will be applying the following as a free day: 25 December 2021.

All other normal rules will continue to apply for import and export dwell.

Should you require any further clarification, please phone Kel or Jackie at Cargo Services on 07 572 8746 or 07 572 8702. Anticipated cargo volumes at this stage would indicate we have storage space available to cater for most needs.

Wishing you all a safe and merry Christmas.

Kind regards
