5 Delegation of Responsibilities to Committees

The Board may, from time to time, establish committees to assist it in carrying out its responsibilities. For each committee, the Board shall adopt a formal charter that sets out the delegated functions and responsibilities for, and the composition and any administrative matters relating to, that committee. The Board currently has the following committees:

- the Audit Committee;
- the Nomination Committee; and
- the Remuneration Committee.

The Board is responsible for the oversight of its committees. This oversight shall include, in relation to each committee, determining and reviewing its composition and structure and regularly reviewing its performance against its charter.

6 Membership

The Constitution provides that the number of Directors must at any time be no more than nine and no less than six. Subject to these limitations, the number of Directors to hold office will be fixed from time to time by the Board.

Directors will receive induction training upon appointment, and maintain appropriate levels of financial, legal and industry understanding, throughout their appointment.

A majority of the Directors should be independent. A Director is only to be regarded as independent if they do not have any direct or indirect interest or relationship that could reasonably influence, in a material way, the Director's decisions in relation to POTL. Without limiting this definition, a Director will be deemed not to be independent if they:

- are a substantial security holder of POTL, or an associated person of a substantial security holder (other than solely as a consequence of being a Director); or

- have a relationship (other than in their capacity as a Director of POTL) with POTL or a substantial security holder of POTL (or one of their associated persons has such a relationship) and, by virtue of that relationship, that Director (or associated person) is likely to derive, in the current financial year of POTL, a substantial portion of their annual revenue during such financial year.

Equally, a Director will be independent if they are not a member of management and they:

- 6.1 have not been employed in an executive capacity by POTL or any related company, or been a Director after ceasing to hold such employment, within the last three years; or
- 6.2 have not been a principal of a material professional adviser or a material consultant to POTL or a related company, or an employee materially associated with the service provided, within the last three years; or
- 6.3 are not a material supplier or customer of POTL or related company, or an officer of (or otherwise materially associated with) a material supplier or customer; or
- 6.4 have no material contractual relationship with POTL or a related company other than as a Director; or
- 6.5 have not served on the Board for a period which could, or could be reasonably perceived to, materially interfere with their ability to act in the best interests of POTL; or
- 6.6 are free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with their ability to act in the best interests of POTL.

The Board shall identify which Directors it has determined, in its view, to be independent no later than 10 business days following POTL's Annual Shareholders' Meeting (and no later than 10 business days following the Directors' appointment in respect of Directors appointed by the Board), and immediately after making such determination, shall release such information to the market. The Board must also include a statement as to which Directors are independent in its Integrated Annual Report.

The Board shall regularly review the independence of each Director in light of interests disclosed.

7 Terms of Appointment

- 7.1 The appointment of a Director is a shareholder decision and for a term or subsequent term of three years.
- 7.2 A Director standing for re-election will inform the Board in advance and the Board will advise the Director of their support or otherwise.
- 7.3 The Board's decision to support or not support a further term will not prevent a Director from standing, but should he/she stand, the decision on support will be advised to the Annual Shareholders' Meeting where the Director's candidacy is being determined.

- 7.4 The Board has determined that good governance requires regular renewal of the Board. Subject to continued Board and shareholder support, the normal term for non executive Directors should be nine years or three terms from the first date of election by the shareholders.
- 7.5 Directors are encouraged to hold shares in POTL.

8 Chair

The Chair must be independent.

The Role of the Chair

- 8.1 The Chair carries out a leadership role in the conduct of the Board and its relations with shareholders and other stakeholders.
- 8.2 The Chair maintains a close professional relationship with the Chief Executive and the Senior Management Team.
- 8.3 The Chair is to chair Board Meetings, as well as Annual Meetings of shareholders, and concerns with the good order and effectiveness of the Board and its processes.
- 8.4 The Chair must ensure that all Directors are encouraged to participate in the affairs of the Board and have an adequate opportunity to express their views.

9 Company Secretary

The appointment and removal of the Company Secretary is made on the recommendation of the Chief Executive and must be approved by the Board.

The Company Secretary's role is to:

- organise meetings, prepare agendas and take minutes of the Board Meetings; and
- ensure that the statutory functions of the Board and POTL are appropriately dealt with.

All Directors will have direct access to the Company Secretary.

10 Meetings

The Board shall meet as often as it deems appropriate.

Board papers will be provided to Directors sufficiently prior to Board Meetings, to allow attendees to become familiar with the issues to be addressed. POTL shall ensure that Directors are receiving information of sufficient content, quality and timeliness as the Board considers necessary to enable the Board to effectively discharge its duties.

11 Access to Independent Advice

A Director of POTL is entitled to seek independent professional advice at POTL's expense with prior approval of the Chair and within specified limits.

The Chair may determine that any advice received by an individual Director will be circulated to the full Board.

12 Conflicts of Interest

The Directors of POTL are required to act in a manner which is consistent with the best interests of POTL as a whole, free from any actual or possible conflicts.

If a Director believes that they may have a conflict of interest or duty in relation to a potential matter, the Director should immediately consult with the Chair (or in the case of the Chair, the Chair should immediately consult with the other Directors).

Directors with a conflict of interest should abstain from voting on any motion relating to the conflict, and if advised by the Chair, absent themselves.

If the Company Secretary is aware of a conflict of interest, the Chair should be advised and if agreed, the Director shouldn't receive any papers relating to the conflict.

13 Indemnities and Insurance

13.1 POTL will provide Directors with, and will pay the premiums for, indemnity and insurance cover while acting in their capacities as Directors, and ex Directors, to the fullest extent permitted by the Companies Act 1993.

13.2 POTL will maintain specified corporate documents and provide Directors with access to those documents.

14 Review

The Board shall undertake a regular performance evaluation of itself that:

- compares the performance of the Board with the requirements of this Charter;
- reviews the performance of the Board's Committees; and
- effects any improvements to this Charter deemed necessary or appropriate.

The performance evaluation shall be conducted in such a manner as the Board deems appropriate.

This Charter will be reviewed annually.
