- IMPORTANT INFORMATION:**
- Please note that if the card is not collected within 10 days, it may be destroyed and a new application/fee will be required.
 - Cards not used for three months are automatically inactivated. These cards can be reactivated upon the driver confirming their details at a gatehouse.
 - Cards not used for six months become unauthorised. An email from the employing company confirming employment and reason for accessing the Port is required in order for these cards to be reactivated. It is important that this is done prior to the employee coming to the Port.
