Unless otherwise specified in the published tariffs, storage fees are charged on the basis of per tonne or cubic metre, whichever is the greater. All rates are as specified unless otherwise individually agreed. Free storage days are calculated on a 7-day week. No cargo to be delivered without the prior approval of the Manager Operations or his authorised agent. Invoices will be generated for a minimum charge of \$30.00

Please note: Hazardous goods do not attract the standard demurrage free days. All hazardous goods must be managed in accordance with the ERMA legislation. All import storage and any export storage incurred due to early receipt will be invoiced directly to the shipper where possible. The Begin Receipt Date (BRD) for cargo at TCT Will be calculated utilising the known ETA of the vessel at the point of time the cargo is gated in. The BRD will be updated real time in relation to the vessel ETA. Cargo can generally be delivered before the BRD and daily export dwell will be invoiced to the shipper for any days prior to the BRD. Export dwell charges incurred as a result of vessel delay after the Line 7 day free period will remain for the account of the line.
